**School Crossings**

Some concern has been expressed regarding students crossing the road safely. Please ensure your student is ONLY crossing the road at specified crossings. As you are all aware, the roads are very busy and children running out in front of cars is extremely unsafe. Remember, adults are role models for all of our students so it is important parents are doing the same.

**Mad About Science Incursion**

Our Science Incursion is fast approaching and money and permission forms are due back this Friday 10th June. Please ensure money is returned by this date if you wish for your students to participate to ensure they do not miss out.

Students will be participating in hands on science experiments and activities that will link in to our Term 2 topic of “Why is it so?”

Students will participate in one of the sessions on either the 22nd or 3rd

P.C.S Has Got Talent

The much anticipated P.C.S Has Got Talent is finally just around the corner!

Please ensure your student is dropped off and signed in at their classroom at 5pm on Monday and Tuesday evening. It is anticipated that the show will go for approximately one hour and students will be ready for collection shortly after 7pm. Students must be signed out from their classrooms at the completion of the entire show.

Students are asked to arrive at 5pm wearing the costume they have been asked to provide. Any extra costume requirements provided by the school will be added once they arrive.

On Tuesday, students need to come to school in full school uniform with their costume in a named plastic bag ready to be changed into for the Matinee performance that afternoon.

Students are encouraged to bring along some food which they may eat while we are waiting our turn on stage in our classrooms. Please be mindful that this is simple and easy for your child to eat within the classroom (eg. doesn't require re-heating, they have necessary cutlery with them).

Thank you for all of your support. We are looking forward to this exciting opportunity for the students.
