Week 3
Tuesday 26th – Friday 29th April

Thank you for your assistance in our first week of Readers, Maths Masters and Talk Time. Please refer to the following run down, we hope it clarifies any confusion there may still be.

Readers:
Every child needs to read the little book that comes home and has been written into the diary, once your child has read the book please sign the diary on the correct day. If students read and get their diary signed each night of the week they will receive a Reading Champion coupon.

M100 words
Each child has a big scrap book with their own gold words as flash cards, they need to practise these words for 5-10 minutes each night.

M100 Words, readers and diaries must come to school each day in the maroon reader bag.

Maths Masters Pack
Each child will have a turn of bringing home the maths masters pack. This is to help them to achieve their yellow belt. Your child has a maths masters pamphlet in their diary and if any are highlighted in the yellow belt section it means they have already achieved this section and can be practicing one of the strands they have not yet achieved. If you forget to return the pack it may be stopping another child from taking it home the following day so please return it the very next morning.

Talk Time
Please refer to talk time roster and assist your child in preparing for a quick talk, outlining some information they know about their topic for the week.

Calendar Dates
April
Monday 25th – ANZAC Day
May
Tuesday 3rd – Crazy Hair day
(Camp Quality Fundraiser – gold coin donation)
Thursday 5th – Mothers Day Afternoon
