

[How to setup your Parent Portal account on the web](#)

Step 1 - Go to the school's Sentral Portal web address:

<https://sentral.pakconps.vic.edu.au/portal2>

The following screen will display.

Step 2 - Click on **Register here** beneath the Log In button.

Fill out details and create your password. Click on **Register**.

Step 3 - Email Confirmation

Go to you email account and open the email from Sentral. Click on the verify button

You should now be able to successfully Log In! You can now refer to the 'Linking students to your account' information to set up your portal for your child/ren.
